Global Board Director of Rider Levett Bucknall, a QS, PM and advisory firm employing 700 staff in the UK and 3,700 worldwide, operating in 40 countries.

Member of the UK Government’s Construction Leadership Council, an advisor to the Construction Industry Council and recently authored the CLC’s Procuring for Value Report.

A Chartered Member of the Institution for Civil Engineers (MICE) and a Fellow of the Royal Institution of Chartered Surveyors (FRICS)

With a 35 year track-record in the property and construction industry, Ann is an advocate of diversity and social inclusion in the construction industry.
PURPOSE OF THE CLC TASKFORCE

The Construction Leadership Council has convened a Construction Industry Task Force to provide a focal point for co-ordinating the industry response to Covid19, and to facilitate communication between the industry and Government.

Its objective is to sustain the industry through the current period when restrictions are in place, and to ensure that the industry is able to drive economic growth and prosperity in the UK once the virus has been beaten.
MAKE-UP OF THE CLC TASKFORCE

Andy Mitchell, Chief Executive, Tideway, and Chair of the CLC
Richard Beresford, Chief Executive, National Federation of Builders
Brian Berry, Chief Executive, Federation of Master Builders
