## Arrival and Orientation

You will be emailed your ticket with a QR code prior the conference. Please download it on your phone or print it out. You will need to scan this on arrival to print out your badge.

You are welcome to attend the full day. If you can't please make sure to arrive 20 minutes before your panel.

## The audience

The audience is a mixture of major end users, specifiers, and manufacturers from the following sectors: domestic & commercial plumbing, pipework and plant, ductwork, refrigeration and air conditioning, heat pump, service & facilities.

## Promotional Graphics

Please download the speaker graphic and help us promote your session to the industry

## Sales pitches

The purpose of the presentations is educational, not for sales. Therefore, your presentation should be generic and should not contain specific imagery of products.

Companies and individuals abusing these guidelines will not be invited to participate in future events.

## Panel Discussions

Participants in panel discussions do not need to prepare any material; your role is to bring your expertise and experience to bear on a given topic. Passion and strong opinions are encouraged. Each panel will have a pre-planned briefing session on Teams arranged by the Event Manager.

## Time keeping

Each panel is 30 minutes. The panel chair and theatre host will keep the session to time.

## Presumption of consent

All speakers agreeing to participate at the Conference hereby consent to BESA reporting on, recording their contributions and presentations, uploading to websites for the wider education of interested parties in matters relating to building services.
