PARTIES

- (1) **ENGINEERING CONSTRUCTION INDUSTRY ASSOCIATION** of 5th floor, Broadway House, Tothill Street, London, SW1 9NS (the "**Association**")
- (2) **WELPLAN LIMITED** (Company Number 02782737) whose registered office is at Old Mansion House, Eamont Bridge, Penrith, Cumbria, CA10 2BX (the "**Trustee**")

INTRODUCTION

- A This Trust Deed is supplemental to a declaration of trust and rules dated 27 July 2000 (the "**2000 Trust Deed**") and the rules of the Scheme adopted by a resolution dated 31 January 2002 (the "**2002 Rules**");
- B The Association is the present Principal Employer of the Scheme and the Trustee is the present trustee of the Scheme.
- C Clause 10 of the 2000 Trust Deed gives the Trustee the power, with the consent of the Principal Employer, at any time by resolution to alter or modify the provisions of the 2000 Trust Deed, but not so as to alter the main purpose of the Scheme. Rule 16 of the 2002 Rules gives the Principal Employer the power to amend any or all of the provisions of the rules of the Scheme provided that no such amendments shall be made so as to affect prejudicially any benefit already in payment in respect of a Member.
- D Rule 16 of the 2002 Rules states that each Member affected by an amendment shall be notified of the amendment in writing by the Principal Employer. The parties note that none of the amendments effected by this Trust Deed is intended to detrimentally affect the payment of any benefit payable or prospectively payable in respect of a Member. Accordingly, the parties consider that it is not necessary to issue a written notice to the Members of the amendments effected by this Trust Deed.
- E The Trustee and the Association wish to replace the provisions of the 2000 Trust Deed and the 2002 Rules in their entirety with the provisions of this Trust Deed and the Rules, with effect on and from the Effective Date.

THIS DEED WITNESSES THAT:

1 DEFINITIONS AND INTERPRETATION

- 1.1 Words and expressions which begin with capital letters in this Trust Deed and the Rules shall be as defined in Schedule 1 (Definitions).
- 1.2 In this Trust Deed, where the context so requires, words in the masculine gender include the feminine and words in the singular include the plural, and vice versa.
- 1.3 The introduction to and headings used in this Trust Deed and the Rules have been inserted for ease of reference only, and will not affect its construction or interpretation.
- 1.4 The attached Schedules form part of this Trust Deed.

- 1.5 Any reference to a statute includes any regulations made under that statute, and any reference to any statute or statutory instrument includes:
- (a) any modification, re-enactment or consolidation of it for the time being in force, and
 - (b) where the legislation applies to part only of the United Kingdom, any corresponding provisions of any legislation applying to any other part of the United Kingdom.
- 1.6 The Scheme shall be operated in a manner consistent with all applicable overriding legislation affecting registered pension schemes which is relevant to the Scheme. If any of the provisions of the Trust Deed or the Rules are inconsistent with such legislation or would otherwise affect the Scheme's Registered Status then the relevant statutory requirements shall prevail and the Trust Deed and the Rules shall be construed accordingly.
- 2 REPLACEMENT OF THE 2000 TRUST DEED AND THE 2002 RULES AND NEW NAME FOR THE SCHEME**
- 2.1 The Association and the Trustee confirm that the Scheme was established on and from 27 July 2000.
- 2.2 In exercise of their respective powers under clause 10 of the 2000 Trust Deed and rule 16 of the 2002 Rules, and all other enabling powers, the Trustee and the Principal Employer:
- (a) confirm that, with effect on and from the Effective Date, the name of the Scheme is changed to the Engineering Construction Industry Death Benefit Scheme, and references to the Scheme in the Trust Deed, the Rules and any other documents which govern or relate to the Scheme shall be construed accordingly; and
 - (b) replace the 2000 Trust Deed and the 2002 Rules in their entirety with the provisions of this Trust Deed and the Rules with effect on and from the Effective Date, provided that:
 - (i) the Trustee's exercise of its powers shall not invalidate any action taken or the exercise of any discretion or power under the 2000 Trust Deed or the 2002 Rules before the Effective Date; and
 - (ii) any benefits which became payable under the Scheme in respect of any Member who died before the Effective Date but which, as at the Effective Date, have not yet been distributed, shall be payable in accordance with the provisions of the 2000 Trust Deed and the 2002 Rules unless the Trustee in its absolute discretion decides otherwise.
- 2.3 By its execution of this Trust Deed, the Association confirms its consent to the exercise of the Trustee's power under clause 10 of the 2000 Trust Deed.
- 2.4 The Trustee and the Principal Employer shall arrange for all references to the name of the Scheme in any explanatory literature, correspondence with Employees or other

documentation to be updated to reflect the new name of the Scheme pursuant to Clause 2.2, as soon as reasonably practicable.

3 STRUCTURE

- 3.1 The Fund shall be held by the Trustee upon irrevocable trust (subject to payment of all expenses properly incurred in connection with the Scheme) to apply the income and, if so far as necessary, the capital of the Fund in or towards providing benefits on death as described in section 150(1)(b) of the Finance Act 2004 (meaning of "pension scheme") in accordance with the Trust Deed and the Rules.
- 3.2 The whole of the Fund from time to time (including any actuarial or other surplus howsoever arising) shall be held on the trusts declared by Clause 3.1 and no Member or other person shall have any interest in the Fund save in accordance with the provisions of the Trust Deed or of the Rules.

4 PARTICIPATING EMPLOYERS

- 4.1 The Principal Employer and the Trustee may allow any Employer to participate in the Scheme as a Participating Employer.
- 4.2 An Employer wishing to participate in the Scheme shall comply with the Scheme and the provisions of the Trust Deed and the Rules so far as they relate to it and its Employees.
- 4.3 A Participating Employer (other than the Principal Employer) will cease to participate in the Scheme in any of the following circumstances:
- (a) on the expiry of three months' written notice (or such shorter period of notice as the Trustee may agree) from the Participating Employer to the Trustee terminating its liability to pay contributions to the Scheme;
 - (b) where the Participating Employer ceases to carry on its business (whether on account of insolvency or otherwise);
 - (c) on any date specified in any deed of adherence relating to the Participating Employer (or otherwise agreed in writing with the Principal Employer) as the date when the Participating Employer's participation shall cease; or
 - (d) if the Trustee otherwise considers it to be appropriate for any reason for the Participating Employer to cease to participate in the Scheme.
- 4.4 A Participating Employer shall be discharged from its obligations under the Trust Deed with effect from the date of the relevant event under Clause 4.3 (without prejudice to the Participating Employer's liability to pay any unpaid contributions as at the date its participation ceases).
- 4.5 A Member whose Employer ceases to be a Participating Employer shall be treated as having left Employment when the cessation takes effect, unless the Member begins Employment with a continuing Participating Employer.

5 SUBSTITUTION OF PRINCIPAL EMPLOYER

- 5.1 A substitution of the Principal Employer may be made if at any time the existing Principal Employer and the Trustee agree, having regard to the main purpose of the Scheme, that a company, firm or person (the "**New Principal Employer**") shall become the Principal Employer in substitution for the existing Principal Employer (the "**Old Principal Employer**").
- 5.2 A substitution may be made only by deed executed by the Trustee, the New Principal Employer and the Old Principal Employer (unless the Old Principal Employer is insolvent, in which case the deed may be executed by the Trustee and the New Principal Employer). In any such deed, the New Principal Employer shall covenant with the Trustee to undertake all the duties and responsibilities of the Principal Employer under the Scheme.

6 PARTICIPATING EMPLOYERS' CONTRIBUTIONS

- 6.1 Subject to Clause 12 (Actuarial investigations), each of the Participating Employers shall in each year pay to the Trustee the following:
- (a) such amounts (if any) as the Trustee shall determine to be required, after taking such advice from the Actuary as the Trustee considers necessary, to provide benefits under the Scheme in respect of the Members employed by the relevant Participating Employer; and
 - (b) such amount as the Trustee shall decide in respect of the Participating Employer's share of the costs of administering and managing the Scheme.
- 6.2 A Participating Employer may, provided the Scheme's Registered Status would not be prejudiced, at any time pay to the Fund any contribution in addition to those required to be paid by it and may designate a particular purpose for which such additional contribution is to be applied.

7 SCHEME EXPENSES

- 7.1 Subject to Clause 7.2 below, any costs incurred by the Trustee in the administration and management of the Scheme (including the cost of investments, fees for professional services obtained by the Trustee, and winding-up costs) may be paid from the Fund.
- 7.2 The Trustee may not use any assets of the Fund to indemnify itself, or any Corporate Trustee Officer, in respect of any liability arising from a regulatory fine or civil penalty.
- 7.3 The Trustee may be remunerated out of the Fund on such basis as may be agreed from time to time with the Principal Employer.

8 POWER OF AMENDMENT

- 8.1 Subject to adequate notice being given to all affected Employees, the Trustee may with the consent of the Principal Employer at any time and from time to time by resolution alter or modify any of the provisions of the Trust Deed but not so as to alter the main purpose of the Scheme from the provision of benefits as described in

section 150(1) of the Finance Act 2004 (meaning of "pension scheme") for and in respect of Employees and their Beneficiaries.

- 8.2 The Principal Employer may from time to time amend all or any of the provisions of the Rules provided that no such amendments shall be made so as to affect prejudicially any benefit already in payment in respect of a Member. Each Member affected shall be notified of such amendment in writing by the Principal Employer.

9 APPOINTMENT AND REMOVAL OF TRUSTEES

- 9.1 The Principal Employer may appoint new or additional Trustees. The power of appointment will be exercised by deed executed by the Principal Employer, the new Trustee(s) and the continuing Trustee(s).
- 9.2 Trustees may resign (in writing) or be removed from office by the Principal Employer (by deed with any replacement or continuing Trustee(s)), provided that the Scheme must at all times have at least one Trustee. Where the resignation or removal would leave the Scheme with no Trustees, at least one month's notice must be given to allow for the appointment of a replacement Trustee.
- 9.3 A corporate body may act as sole Trustee whether or not it is a trust corporation.

10 INVESTMENT OF THE FUND

- 10.1 The Trustee may invest the Fund as if it were the sole absolute and beneficial owner of the Fund and may realise, vary, transpose or retain any such investment as it from time to time determines. Investments may be made within or outside the United Kingdom whether or not they involve liability on the Fund, or produce income or are expressly authorised by law for the investment of trust monies.
- 10.2 Without prejudice to the Trustee's general power of investment in Clause 10.1 and subject to Clause 10.5, the Trustee may invest or apply all or part of the Fund:
- (a) in current or deposit accounts with any bank, insurance company, building society or finance company whether or not in sterling and any foreign currencies;
 - (b) in any insurance policy or annuity contract from an insurance company as defined in section 275 of the Finance Act 2004 (and the Trustee may deal with or dispose of any such policy or contract, by sale, surrender, assignment or otherwise, in such manner as the Trustee thinks fit);
- 10.3 The Trustee may exercise any of its powers set out in this Clause 10 in conjunction with either the exercise of its powers under any other trust of which the Trustee is the trustee and under which it has similar powers, or jointly with the trustees of any other trust having similar powers, as if the Fund (or relevant part of it) and the assets of such other trust constituted one trust fund. If, and so long as, the power conferred on the Trustee by this Clause 10.3 is exercised, the Trustee shall make arrangements for apportioning blended trust property and any associated investment returns, costs, charges or expenses, or provision of security for any loan or otherwise, as it considers just and equitable.
- 10.4 The Trustee may engage in any lawful transaction and in particular may:

- (a) borrow or lend money or other property (with or without security) on such terms as the Trustee may in its absolute discretion think fit for the purpose of acquiring any investment or meeting any liability of the Scheme or for any other purpose in relation to the administration of the Scheme (including for the purposes of meeting any expenses which are to be met from the Fund);
 - (b) place assets in nominee names;
 - (c) enter into any contract or agreement binding the Fund which the Trustee considers to be appropriate in connection with the application or investment of any part of the Fund; and
 - (d) do all things incidental to any exercise of its powers under this Clause 10.
- 10.5 The Trustee will take such investment advice as it may consider necessary before exercising its powers of investment in this Clause 10.
- 10.6 The Trustee must not engage in any trading activity which might prejudice the Scheme's Registered Status.

11 TRUSTEE POWERS: GENERAL

- 11.1 The administration and management of the Scheme shall be vested in the Trustee. The Trustee shall be the "administrator" of the Scheme for the purposes of the section 270 of the Finance Act 2004 and shall discharge or procure the discharge of all duties imposed by any relevant legislation or otherwise upon the administrator of the Scheme and may from time to time as such administrator at its discretion give such undertakings as may be appropriate for the purpose of obtaining or maintaining the Scheme's Registered Status. The Trustee may by resolution at any time determine that the administrator of the Scheme for the purposes of section 270 of the Finance Act 2004 shall be some person or persons or body other than the Trustee.
- 11.2 In addition to all powers vested in trustees by law and to the powers of investment set out in Clause 10, the Trustee may take any action or make any arrangements generally in connection with the administration or management of the Scheme which it thinks fit and in particular, but without limitation, may exercise any of the following powers:
- (a) the power to appoint and obtain the advice of any professional adviser or other professional service provider including an Actuary and any solicitor, accountant, Auditor or third-party benefit administrator upon such terms as the Trustee thinks fit;
 - (b) the power to delegate, either generally or for any particular purpose, to any person any or all of the powers and discretions of the Trustee on any terms and conditions (including power to sub-delegate with or without prior approval). Any such delegation may be revoked at any time by the Trustee;
 - (c) the power to insure the Trustee (including any employee and any director, other officer or member of any committee appointed by the directors of a corporate trustee) against any liabilities incurred in the discharge of their duties under the Scheme and to insure the Fund against any losses arising from the administration of the Scheme;

- (d) the power in the interests of expediency or otherwise to act as agents for the payment of benefits out of the Fund and shall be entitled to be reimbursed out of the Fund for any payment so made; and
- (e) the power to appoint such agents as the Trustee thinks fit to transact any business of the Scheme (including the payment of benefits out of the Fund). Any such agent may include an employee or officer of the Trustee or of any of the Participating Employers.

12 ACTUARIAL INVESTIGATIONS

- 12.1 The Trustee may appoint an Actuary to the Scheme (and may remove the Actuary at any time and appoint a replacement) and will obtain such advice as it considers appropriate to ensure that the Scheme's assets and agreed contributions are sufficient to provide benefits under the Scheme.
- 12.2 A Corporate Trustee Officer or any person who is connected with or an associate of the Trustee (within the meaning of sections 249 and 435 respectively of the Insolvency Act 1986) is ineligible to act as Actuary of the Scheme.
- 12.3 Where the Trustee has appointed an Actuary in relation to the Scheme, the Trustee shall arrange for the financial condition of the Scheme to be investigated by the Actuary at least once every three years. For this purpose the Actuary shall be given access by the Participating Employers and the Trustee to all necessary accounts and documents and shall be supplied with all information he may require. The Actuary shall report to the Trustee in writing on the results of the investigations and produce an actuarial statement, valuation report and any additional supporting documentation or advice that may be considered necessary.
- 12.4 In addition to an actuarial valuation under Clause 12.3, the Trustee shall obtain an actuarial valuation report at any other time if it so decides or if so directed by the Principal Employer.
- 12.5 Where any actuarial valuation prepared under this Clause 12 discloses that the value of the Fund is less than the amount of the liabilities of the Scheme the Trustee shall take such action as it considers appropriate in respect of the deficit. This may include requiring the Participating Employers to pay additional contributions under Clause 6 (Participating Employers' contributions).
- 12.6 If any actuarial valuation under this Clause 12 discloses that the value of the Fund exceeds the value of the Scheme's liabilities, the Trustee may (but shall not be obliged to) reduce the excess by any method which does not prejudice the Scheme's Registered Status and which is permitted by the Trust Deed and the Rules but so that no part of the Fund shall be distributed to the Participating Employers except in accordance with Clause 26 (winding-up).

13 SCHEME ACCOUNTS AND AUDIT

- 13.1 The Trustee shall appoint an Auditor to the Scheme, and may remove and replace the Auditor at any time.
- 13.2 The Trustee shall keep proper records in relation to the Scheme, including:

- (a) copies of all Trustee minutes and any other records relating to decisions affecting benefits paid from the Scheme; and
- (b) proper accounting records in relation to the Fund which shall be sufficient to explain all transactions relating to the Scheme and to disclose the financial position of the Scheme.

13.3 The Trustee shall produce a report and accounts for the Scheme in respect of each year ending on 28 February (or such other year-end as the Trustee may decide), which shall be examined and reported on by the Auditor. The Trustee and the Participating Employers shall provide the Auditor with such information and documentation as the Auditor may require for these purposes.

14 TRUSTEE LIABILITY AND INDEMNITY

14.1 No Trustee shall be liable in relation to:

- (a) the consequence of any mistake or forgetfulness, whether of law or fact, and whether on the part of the Trustee or that of any of its agents, delegates or advisers; or
- (b) any breach of duty or breach of trust, whether by commission or omission,

unless it is proved to have been made, given, done or omitted in personal conscious bad faith of the Trustee (or, in relation to a Trustee engaged in the business of providing a professional trustee service for payment, to the extent that the liability relates to his own negligence).

14.2 No Corporate Trustee Officer shall be liable in relation to:

- (a) the consequence of any mistake or forgetfulness, whether of law or fact, and whether on the part of the Corporate Trustee Officer or that of any of any of the Trustee's agents, delegates or advisers; or
- (b) any breach of duty or breach of trust, whether by commission or omission,

unless it is proved to have been made, given, done or omitted in personal conscious bad faith of the Corporate Trustee Officer (or, in relation to a trustee engaged in the business of providing a professional trustee service for payment, to the extent that the liability relates to his own negligence), and provided that in either case, to the extent that it is prohibited by section 232 of the Companies Act 2006 (provisions protecting directors from liability), no Corporate Trustee Officer shall be exempted from any liability that would otherwise attach to him in connection with any negligence, default, breach of duty or breach of trust by him in relation to the corporate trustee.

14.3 For the avoidance of doubt, each of Clauses 14.1 and 14.2 is to be regarded as a separate provision for the purposes of sections 232 to 235 of the Companies Act 2006, and if all or any part of those Clauses shall be found to be void or otherwise invalid or unenforceable, this shall not affect the legality, validity or enforceability of the remainder of the Clause, provision or other elements of the provision (as the case may be). In the event that all of Clauses 14.1 and 14.2 are found to be of no effect, the previous provisions of the Scheme regarding trustee liability as they applied

immediately before the Effective Date shall be treated as still being in force and available to each Trustee, and to each Corporate Trustee Officer.

14.4 Each Trustee shall, except to the extent prohibited by Clause 7.2 (no indemnification for fines or civil penalties), be indemnified out of the Fund against all and any of the liabilities incurred in the execution, or professed execution, of the trusts of the Scheme and in the administration, management and winding-up of the Scheme except in respect of:

- (a) an act or omission which the Trustee knew to be a breach of trust and which he knowingly and wilfully committed or omitted as the case may be; or
- (b) if the Trustee is engaged in the business of providing a professional trustee service for payment, his own negligence.

14.5 ,

Each Corporate Trustee Officer shall, except to the extent prohibited by Clause 7.2 (no indemnification for fines or civil penalties), be indemnified out of the Fund against all and any of the liabilities incurred in the execution, or professed execution, of the trusts of the Scheme and in the administration, management and winding-up of the Scheme except in respect of:

- (a) an act or omission which the Corporate Trustee Officer knew to be a breach of trust and which he knowingly and wilfully committed or omitted as the case may be; or
- (b) if the Corporate Trustee Officer is engaged in the business of providing a professional trustee service for payment, his own negligence.

14.6 For the avoidance of doubt, each of Clauses **Error! Reference source not found.** and 14.5 are to be regarded as a separate provision for the purposes of sections 232 to 235 of the Companies Act 2006, and if all or any part of Clauses **Error! Reference source not found.** or 14.5 shall be found to be void or otherwise invalid or unenforceable, this shall not affect the legality, validity or enforceability of the remainder of the Clause, provision or other elements of the provision (as the case may be).

14.7 The indemnities set out in Clauses **Error! Reference source not found.** and 14.5 will not extend to any liability if that liability is covered by a policy of insurance.

14.8 The provisions of this Clause 14 apply to current and former Trustees and current and former Corporate Trustee Officers.

15 CONFLICTS OF INTEREST AND DUTY

15.1 A Corporate Trustee Officer may exercise his powers and carry out his duties in relation to the Scheme even if he is also a Beneficiary.

15.2 No decision, opinion, or exercise of a power by the Trustee shall be invalidated or questioned on the grounds that any of the Corporate Trustee Officers, or any of the Trustees (where one or more of the Trustees are individuals) had any direct or personal interest in the outcome.

- 15.3 Any Corporate Trustee Officer or member of any committee appointed by the directors of the Trustee may act as a partner, director, officer or employee of any company, business or partnership in which part of the Fund is invested, and may retain for himself any remuneration which he may receive in that capacity, notwithstanding any actual or perceived conflict of interest of duty.

16 TRUSTEE PROCEEDINGS

- 16.1 Where the Scheme has a sole corporate Trustee, the Trustee shall hold meetings as often as it deems them, in its absolute discretion, to be appropriate, and shall exercise its duties, powers and discretions at such meetings in accordance with its corporate Articles of Association.
- 16.2 A written resolution of the Trustee shall be as effectual as if it had been passed at a meeting of the Trustee.

17 TAX

- 17.1 Without prejudice to any other rights of withholding of payments or of deduction or of recovery, the Trustee shall be entitled to deduct from any amount payable under the Scheme any tax, duty or other imposition for which the Trustee is liable. This power shall extend to any tax for which the Trustee may be liable jointly with any other person, including a Member or another person entitled to the payment. This rule applies to any charge to income tax, any interest due to HMRC and any penalties payable to HMRC.

18 OVERPAYMENT OF BENEFITS

- 18.1 If any amount paid to a Beneficiary or other person has exceeded that to which he is entitled (or where a payment has been made in the mistaken belief that the person was a Beneficiary), the Trustee may if it so determines at any time take such action as it considers reasonable to recover from the recipient the amount overpaid.

19 FORFEITURE AND ASSIGNMENT

- 19.1 Except where otherwise provided in the Trust Deed or the Rules no benefit payable or to be paid under the Scheme shall be capable of being assigned or applied for the benefit of anyone other than the persons entitled, or prospectively or contingently entitled to it, and:
- (a) every assignment of, or charge on, any such benefit and any agreement to assign or charge it shall be void; and
 - (b) on the bankruptcy of any such person the benefit shall not pass to any trustee or other person acting on behalf of the creditors of the persons entitled.
- 19.2 A benefit payable or to be paid under the Scheme shall cease to be paid or payable if it has become the subject of any attempted assignment by operation of law.
- 19.3 If through operation of this Clause 19 or otherwise under the Scheme a benefit ceases to be payable the Trustee may in its absolute discretion (in the case of hardship or otherwise) apply it or any part of it for the support and maintenance of the recipient of his Spouse, children, remoter issue or other Dependants or any of them

provided that in no case shall any payment be made if it would result in a payment or other benefit to an assignee or purported assignee or creditor etc.

20 MINOR OR INCAPABLE BENEFICIARIES

20.1 If a Beneficiary is a minor or appears to the Trustee to be suffering from any mental or physical incapacity rendering him unable to manage his affairs or to give a proper receipt for any Lump Sum Death Benefit payable to him under Rule 5 (payment of Lump Sum Death Benefits), the Trustee shall have power to pay the whole or part of the lump sum to any one or more of the following for the benefit of the Beneficiary or any of his Dependants:

- (a) if the Beneficiary is a minor but is aged 16 or over, the Beneficiary;
- (b) any person nominated in writing by the Beneficiary before his incapacity;
- (c) any person appointed by the Court;
- (d) any of the Beneficiary's relatives or Dependants;
- (e) any other person selected by the Trustee; or
- (f) a trust established under Rule 5.2,

and the receipt of the person to whom the benefit is paid shall be a complete discharge for the amount paid and the Trustee shall not have any further responsibility in relation to the payment.

20.2 For the purposes of this Clause 20 a payment determined by the Trustee to be for the purposes of defraying the general living and household expenses of the Beneficiary and any Dependants shall be deemed to be for the benefit of the Beneficiary.

21 PAYMENT WITHOUT PROBATE

21.1 If a grant of representation has not been made in respect of the estate of a deceased person, any sum payable by the Trustee to the legal personal representatives of the deceased may nevertheless be paid by them to the Spouse or any of the Dependants of the deceased or any person entitled to any benefit from the deceased's estate. A receipt given by the person to whom payment is made is as effective as if it had been given by the legal representatives of the deceased.

22 LIMITATION OF CLAIMS

22.1 No person shall have any claim, right or interest under or in respect of the Scheme except in accordance with the Trust Deed and the Rules except to the extent the provisions of the Trust Deed and/or the Rules are overridden by statute.

22.2 Nothing in the Trust Deed or the Rules shall restrict the right of any Employer to dismiss an Employee.

22.3 Where a Member's Employment terminates, the resulting cessation of his Membership (if any) shall not be grounds for any damages or any increase in

damages in any action brought against the Participating Employer or otherwise in respect of such termination.

23 DETERMINATION OF MATTERS OF DOUBT

- 23.1 A Member or Beneficiary shall produce any evidence and information required by the Trustee for the purposes of the Scheme. Where evidence or information has been requested from a Beneficiary, the Trustee may defer payment of any benefit from the Scheme to such Beneficiary until the Beneficiary has provided the required evidence or information. If the Trustee reasonably considers that any evidence or information produced by a Member or Beneficiary is incorrect, the Trustee may alter the benefits for and in respect of him under the Scheme to the extent the Trustee thinks appropriate (having consulted the Actuary if the Trustee considers necessary).
- 23.2 The Participating Employers shall determine whether their Employees are eligible for Membership of the Scheme, the amount or nature of any Employee's earnings, the calculation of any period of Employment or the reason why a Member ceases to be in Employment or otherwise eligible for continued Membership of the Scheme (including in respect of any period of temporary absence under Rule 2). The Trustee shall be entitled to rely on any information provided to it by a Participating Employer in respect of its Employees, and the Participating Employers shall provide the Trustee with such information as the Trustee may reasonably require in relation to the administration of benefits under the Scheme.

24 DISPUTE RESOLUTION

- 24.1 The Trustee may implement arrangements for the resolution of disagreements between the Trustee and Members or Beneficiaries of the Scheme (or persons claiming to be a Member or Beneficiary of the Scheme).
- 24.2 The Trustee shall have the power to compromise, compound, abandon, submit to arbitration or otherwise settle any debt, account, claim or thing whatever relating to the trusts of the Scheme. For this purpose the Trustee may do anything, execute any document or enter into any arrangement which seems to it to be expedient and shall not be responsible for any resultant loss if it has acted in good faith.

25 TERMINATION

- 25.1 The Scheme shall be wound up upon the happening of any of the following events:
- (a) if a majority of Participating Employers agree to that effect in writing and the Principal Employer concurs;
 - (b) if the Principal Employer decides that the objects for which the Scheme was established no longer exist or the administration thereof cannot conveniently be carried on;
 - (c) if the Trustee determines in writing (having consulted with both the Actuary and the Principal Employer) that the Participating Employers are unable to meet their obligations under the Scheme;
